

IR35 – There's still time for a lightning strike!

We all hope that the Office of Tax Simplification will achieve its aim and restore much needed certainty to the tax affairs of the freelancing community.

But in the meantime, IR35 is here to stay and in the future it will still be the only way that HMRC can tackle what they perceive to be 'disguised employment' if they are reviewing the current tax year (or earlier).

That means contract reviews to assess your 'IR35 status' and Tax Losses Insurance to protect your tax position remain as relevant as ever.

We would like to do our bit to help; and until 31st October 2010, Abbey Tax is offering:

- Contract Reviews discounted to £140 + VAT
- To carry out all subsequent reviews you ask us to do this year for £95+VAT
- A 25% discount on our Tax Losses Insurance
- A further 10% discount on our premiums if you purchase cover for earlier years

If you would like further information, please contact Robert Fisher or Rebecca Walker on 01788 558 700 and they will be pleased to discuss the options available to you.
