

Fee protection.

Protection that grows with your practice

Tax Start Fee insures your practice and enables you to offer a tax investigations service to your clients. Tax Start is designed for smaller practices with fewer than 100 business clients and as such does not require a minimum order value.

Comprehensive protection

Your service will provide subscribing clients with up to £75,000 of fee reimbursement for:

- Income Tax full and aspect enquiries
- Corporation Tax full and aspect enquiries
- Employer compliance disputes
- IR35 disputes
- VAT disputes
- Up to £1,000 for Schedule 36 'pre disputes' including
 - Real time visits
 - 'Interventions'
 - VAT and PAYE compliance checks
 - Record keeping reviews
 - Inspection of business premises
 - Written requests for information for claim

Tax Start prices are £105+ Insurance Premium Tax (IPT) per business client and £50+ IPT per personal client. You are free to add a mark up to the costs and should charge VAT on the gross figure when selling your service to clients. You then simply register your subscribing clients with Abbey Tax - even if it's only one client. In the event of a claim, hourly charge out rates will be limited to £100 per hour. However, revised premiums can be provided if current charge out rates exceed this figure.

Tax and VAT helpline

You will receive access to our tax and VAT helpline based upon the number of subscribers to your scheme. Our helpline is open 9am-5pm Mon to Fri (excluding Bank Holidays) and provides a range of advice on technical tax issues.

Marketing support

Our in-house marketing experts will provide you with all the marketing documentation you will need to promote the service to your clients.
